

## The Richard Hamilton Acquisition Prize Sponsored by ChampionScott Partners

### About the Prize

ChampionScott Partners has chosen to honor Richard Hamilton in the naming of its prize as a tribute to the artist's profound influence on their own appreciation of prints, and to acknowledge his impact on generations of printmakers. Their hope is that this annual prize will enable museums to acquire significant prints for their collections and will also inspire individual collectors by illustrating the profusion of affordable museum quality works on offer at the IFPDA Fine Art Print Fair.
